My sweet Finley Kay,

As we look back on your year as queen, I hope you know just how proud I am of you and how much you have accomplished. You have had such a special year, and watching you grow, shine, and represent your title has been nothing short of amazing.

Being a queen is about so much more than wearing a crown and sash. It is about the memories you make, the people you meet, the kindness you show, and the way you carry yourself wherever you go.

Throughout your reign, you have represented your title beautifully, and you have given me so many reasons to smile and be proud. You may still be little, but you have grown so much. While you may not remember every picture, every appearance, every little smile, or every moment, these are memories I will treasure forever.

This year has been about so much more than a pageant. It has been about watching you experience new things, grow, and make memories that will stay with me long after your crown is put away. You have had the opportunity to experience things that many little girls only dream of, and I am so thankful for every single moment of this journey.

Finley Kay, you have done such a wonderful job representing your title, and I could not be prouder of my little queen. You have made this year so special. I hope that one day, when you are older, you can look back at all these pictures and memories and see just how loved, supported, and celebrated you have always been.

I love you more than words could ever explain. You will always be one of my greatest blessings, and no matter where life takes you, I will forever be your biggest supporter.

I love you,

Mama

Brynlee Kramer
2025 Texas' Universal Beauty 3-6

Dear Brynlee,

What an incredible year it has been watching you wear the crown as Texas' Universal Beauty 3–6 Queen! We could not be more proud of you and the beautiful little girl and person you are becoming.

Your reign has been filled with so many amazing memories—new friendships, traveling to new places, exciting experiences, and moments we will treasure forever. We have loved watching you grow in confidence, kindness, and grace while representing Texas with your sweet smile and big heart.

As your reign comes to an end, we are definitely sad to say goodbye to this special chapter. But more than anything, we are grateful. Grateful for every adventure, every friendship, every memory, and every opportunity this crown brought into your life.

Brynlee, always remember that the crown may come off, but the queen inside you will always remain. We are so incredibly proud of you, and we cannot wait to see where your next adventure takes you.
Once a queen, always a queen.
We love you more than you'll ever know,
Mom & Dad

Callan Collette
2025 Texas' Universal Beauty 7-9

To our Sweet Callan,
From the moment we knew you were on the way, you have filled our lives with more love than we could ever put into words. Watching you grow into the thoughtful, determined girl you are today has been one of our greatest joys. Your kind heart and the happiness you bring to others make us proud every day. This year has given us so many special moments to treasure. We have loved watching your confidence grow and seeing how much of yourself you put into everything you do. We know the hard work behind each moment on that stage, and we hope you feel proud of all you have accomplished. You have worn your crown with grace, and your sweetness has made us just as proud as any achievement ever could. As you prepare for your farewell walk, hold close the friendships, laughter, and memories that have made this year special. Keep believing in yourself and pursuing the dreams that bring you joy. Wherever your next adventure takes you, you will always have us beside you, loving you and cheering you on with the same excitement we felt the very first time.

Callie Grace Fanning
2025 Texas' Universal Beauty 1012

Our sweet girl,

As you prepare to take your final walk and pass your crown to the next queen, I hope you know just how incredibly proud we are of you. Watching you live out your dream this year has been one of the greatest blessings of our lives. From the moment that crown was placed on your head, you carried your title with grace, kindness, and a heart full of love.

But what makes us the proudest isn't the crown on your head, the beautiful robe you wore, or the title you earned. It's the young lady you are becoming. Your courage, your kindness, and the way you shine simply by being yourself means more to us than any crown ever could. I hope you always remember that you were chosen for a reason. You were given this opportunity to make memories, touch hearts, and show others that true beauty comes from within. As you take that final walk, there may be tears in our eyes, but our hearts will be overflowing with pride. Because while your reign may be ending, the memories, friendships, and lessons will stay with you forever.

You may be giving up your crown, but you will never stop being our queen. Keep chasing your dreams, keep believing in yourself, and never let anyone dim that beautiful light inside you.

We love you more than words could ever express, and we will forever be your biggest fans.

Once a Texas Universal Beauty Queen, always a Texas Universal Beauty Queen.

All our love,
Mom & Dad

Kennedy Benink
2025 Texas' State Our Little Miss

My sweet Kennedy,
It's hard to believe that the time has come for your Our Little Miss Texas Universal Beauty reign to come to an end. It feels like just yesterday we were getting ready for you to begin this journey, and now somehow this chapter is already coming to a close.
Being your mom has given me so many moments that I will treasure forever, and watching you wear this crown has been one of them. I have loved watching you grow in confidence, step onto stages, perform your piano, put together your outfits, make your goodie bags, and put your own little touch on every part of this experience.
You have always had a love for beauty, makeup, hair, fashion, and all the little details that make something beautiful. But this year has reminded me that beauty is so much more than what we see on the outside. It's confidence, kindness, courage, creativity, and being proud of the person you are becoming.
I hope when you look back at this year, you remember so much more than the crown. Remember the excitement of
getting ready, the dresses, the sparkles, the music, the road trips, the laughs, the nerves before walking on stage, and all the little moments that only you and I will truly understand.
And remember how proud I was of you through all of it.
Your reign may be coming to an end, but the memories you made and the confidence you gained will always be a part of you. You will always be my Our Little Miss Texas' Universal girl, and I will always be grateful that I got to experience this chapter right beside you.
And now, as you close this chapter, you are also stepping into such an exciting time in your life. Your senior year is here, graduation is getting closer, and there are so many new adventures waiting for you.
I hope you never forget that you don't need a crown to shine.
You are my daughter first, and that will always be my greatest title.
I am so proud of the beautiful young woman you are becoming, Kennedy. Thank you for letting me be there for every dress, every picture, every pageant, every happy moment, and even the stressful ones. I wouldn't trade a single part of this journey with you.
I love you more than you will ever know. Forever your biggest cheerleader, MOM

Dakota Fambrough
2025 Texas' Universal Beauty 21-39

Dakota Fambrough,

Your dad and I cannot put into words how incredibly proud we are of you. No one would have ever guessed that our "Tank," our all-around athlete, would one day compete in a beauty pageant and become a beautiful State Queen—but you did it! And you did it while walking through one of the toughest seasons of your life. Watching you find the strength, courage, and confidence to keep going has made us even more proud of the woman you have become.

I have absolutely loved taking this journey with you—being your travel companion, your hairstylist, your biggest cheerleader, and, if I'm being honest, your therapist too! These memories are ones I will treasure forever.We love you more than words could ever say, and we couldn't be prouder to call you our daughter.

Love Mom
